Why choose a Dulux Accredited Powder Coater™?

Dulux Accredited Powder Coaters™ Trusted by Australia’s most trusted paint brand.*

A Dulux Accredited Powder Coater:
✓ Is your assurance of a quality job and customer satisfaction
✓ Is certified by Dulux
✓ Is recommended by Dulux and use quality Dulux powder products
✓ Has the exclusive ability to issue Dulux Alumi Shield™ and/or Steel Shield™ Warranties

*Reader’s Digest Trusted Brands Survey 2019

Confidence is Key

As Australia’s most trusted paint brand, we understand what both Powder Coaters and consumers are looking for. The Dulux Accredited Powder Coater Program has been designed to give you the confidence that you are getting the best for your project. A Dulux Accredited Powder Coater:
✓ Is your assurance of quality – with warranties to support
✓ Is trusted by Australia’s most trusted paint brand*
✓ Provides a colour solution that works with other Dulux coatings schemes
✓ Is covered by Professional Indemnity and Product Liability Insurance (if applicable)

Look for the Dulux Accredited logo as an endorsement of quality and difference when selecting a powder coater for your next project.

Certified by Dulux

Dulux Accredited Powder Coaters are audited and provide sample checks of product applications detailing their capabilities and ensuring they meet the required standards for product application to meet warranty standards at all times.

Warranties

Warranties are made up of a colour warranty (for colour fade and chalking), durability warranty (film integrity for aluminium coatings schemes) and corrosion warranty (for steel only). They are only valid when applied by a Dulux Accredited Powder Coater to the warranty specification on recommended project types and conditions.

Only Dulux Accredited Powder Coaters are authorised to issue Dulux Alumi Shield™ and Steel Shield™ warranties after
