

The background is a stylized, artistic composition. It features a dark teal wall. On the left, there is a vertical red textured fabric element and a light green rectangular block. In the center, a wooden spindle is on a light-colored surface. To the right, there is a large teal circular shape, a white architectural molding piece, a red cylindrical object, and a red square object. In the foreground, there are various fabric and material samples, including a teal fabric with orange patches, a brown corded fabric, and a red textured fabric with a teal patterned section.
